

The Patch Book

The Patch Book is Boy Scout Patches of Comanche Trail Council and activities that Otena Lodge 295 attended. These are from the collection of *Chris Firth*, Brownwood Texas.

I have been collecting since my first Conclave, 1974 SC 4A at Tarlton State University in Stephenville TX. I was 14 years old.

I didn't get serious until I returned to Tarlton for the 1990 SC 4, and I knew I was hooked all over again. Here is my Collection of what means the most to me. Lodge 295 Lodge Collection, Camp Billy Gibbons Summer Camp, Camporees, Scoutoramas, Merit Badge Seminars, and Conclaves the Lodge attended.

I would like to give thanks to my family for their support on allowing me to spend money on small, old pieces of cloth. I would also like to thank Roger Schustereit, Butch Wakefield, Steve Ross and Tim Price for helping me find the harder and more rare pieces of my collection.
